

Scenery and Secrets of a Landscape Photographer

Presentation by Kas Stone
Richmond Hill Camera Club
January 15, 2018
www.kasstone.ca

About This Presentation:

Join professional landscape photographer Kas Stone on a journey across Eastern Canada, and learn some secrets for capturing effective land-sea-sky-scape (and even city-scape!) images along the way. Kas shares advice about artistic inspiration, visual design, camera gear, shooting techniques and post-processing ideas that will bring your images alive.

Bio

Kas is a professional photographic artist based in Lunenburg County, Nova Scotia, where she runs a studio gallery and leads workshops in digital imaging. Her portfolio includes an extensive list of publications, exhibitions and national awards, with two wilderness adventure guidebooks published by The Boston Mills Press and a feature profile in *Outdoor Photography Canada* magazine. Visit Kas and learn more at www.kasstone.ca.
